**RELIABLE.
FUTURE-ORIENTED.**

METZGER AUTOTEILE SINCE OVER 40 YEARS.

We are a modern family business with over 40 years of experience in supplying high-quality auto parts to dealers in more than 55 countries.

Partnership and teamwork are deeply rooted in our corporate culture, both internally and in our collaboration with customers and suppliers.

With the third generation of the family joining the company and with the expansion of our headquarters in 2025 with an additional state-of-the-art and fully automated warehouse, we are setting the course for the future.

**DIVERSE.
HANDS-ON.**

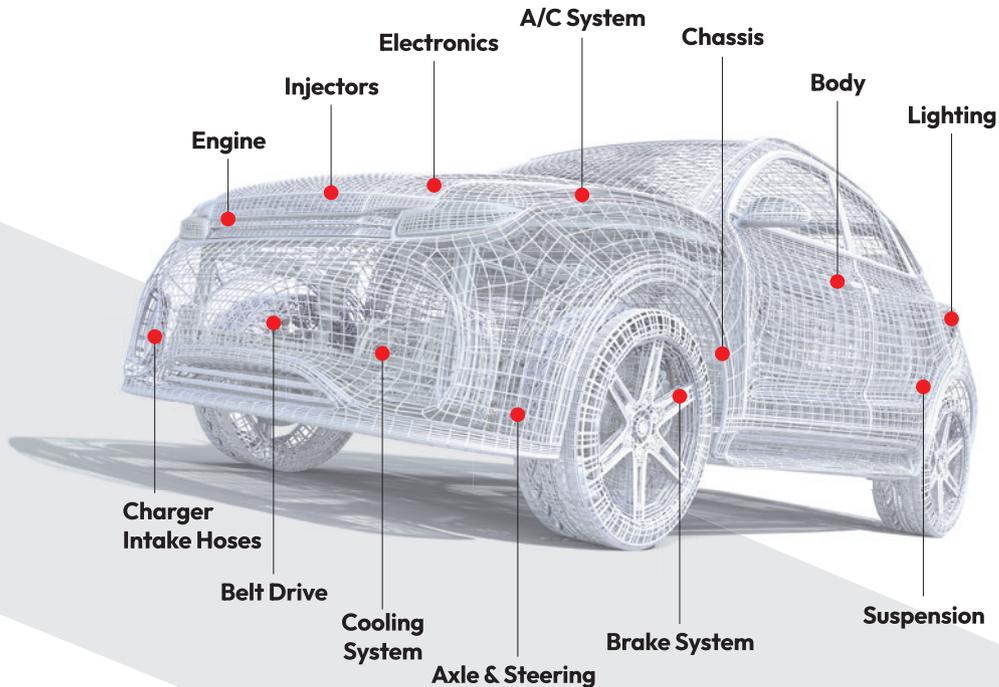

METZGER AUTOTEILE EXCELLENT PRODUCT RANGE.

As a reliable partner to our customers, we are valued for our practice-oriented services and the high availability of our premium products.

Our product range is clearly structured and easy to navigate, allowing our customers to quickly and effortlessly find the right fit.

Furthermore, we are a recognized provider of electronic components and niche products, and we also offer vehicle parts that were previously only available from original equipment manufacturers.

**EFFICIENT.
STATE-OF-THE-ART.**

METZGER AUTOTEILE OUTSTANDING SERVICE.

On a storage area of 6,000 m², we stock over 35,000 products and, thanks to our fully automated warehouse, can ensure rapid delivery.

We are committed to the highest data quality and its value as a key to high workshop efficiency.

We recognize what our customers need before they need it. Our fast response to their demand turns specialized and niche car parts into the standard at Metzger, because we bring them to the market early to serve workshop needs.

Metzger Autoteile is **#FIRSTTOMARKET**, making sure you're always well-supplied.
