

BRAKE CALIPERS

Our brake calipers are completely overhauled and refurbished with original components by a certificated European partner.

Right from the start we reach a **market coverage of 80%** with more than **14300 car applications** – immediately available.

All references are exchange items with refund. We can accept all complete and undamaged original parts as used parts. You will receive more information about return and exchange on request.

- » **Brake calipers of all well-known manufacturers like ATE, Bosch, TRW, Lucas ...**
- » **Completely overhauled and refurbished original brake calipers**
- » **Only original components are used for refurbishing**

**The perfect complement
to our brake product range.**
