

RELIABLE.
FUTURE-ORIENTED.
SINCE OVER 45 YEARS.

We are a modern family business with more than 45 years of experience in the distribution of automotive spare parts to dealers in over 55 countries.

We continually stock nearly 40,000 SKUs and, thanks to our fully automated warehouse, we can ensure rapid delivery.

We are a well-recognized supplier of electronic components and niche products, many of which were previously only available on the OE side.

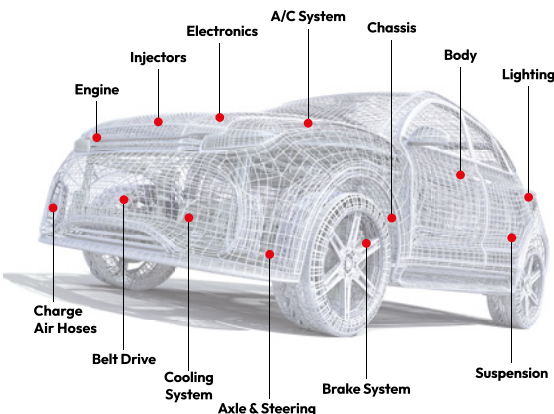

TYPICAL METZGER:
PROVEN QUALITY.

Strict supplier audits, our selection of certified manufacturers as well as the extensive testing procedures carried out at our in-house QA Test Lab ensure seamless quality management.

With Metzger Autoteile,
you are always
ahead of the game!

OUTSTANDING SERVICE.
EXTENSIVE DIVERSITY.

METZGER
COMPETENCE KITS.

Already today, 3,000 of our products are COMPETENCE KITS – supplied with all parts necessary for assembly and installation, at no extra cost. A clear time and cost benefit for workshops.
